2023/4241/P	Lily	04/11/2023 15:14:42	COMMNT	I Support the application as we need more affordable housing in the area. Professionals working in the public sector can't afford to live in the area due to the high cost of housing. The plan seems to be appropriate and I can't understand why some of the neighbours are concerned about it.
2023/4241/P	Nigel Sharrocks	04/11/2023 17:24:47	OBJ	This development is far too large and high for this space. It is proposed for an area that has low rise Victorian/Edwardian houses with very few exceptions. To build something of this size is totally out of character for the area. It also sets a bad precedent for other developers to follow which would spoil the character of this historic neighbourhood.
2023/4241/P	L Hinder	03/11/2023 16:12:18	COMMNT	I have been watching this site. I think the planning application should be supported. We need more homes in Camden and this part is not as densely populated as many.
