Subject: 2023/2510/P and 2023/2653/L - Travelodge redevelopment proposal

I am writing to express the strong objection my wife and I have to this proposal, which we understand will be considered shortly. To us it seems:

- Totally disproportionate in scale to its surroundings
- Inconsistent with the planning policies published for Camden
- Highly inappropriate in today's situation regarding Global warming and Net Zero, particularly given that redevelopment of the existing building seems entirely possible.

We have lived in Bloomsbury for many years, now, and urge you to reject the proposal.
