2023/3547/P	Mavis and Robert Maclean	04/11/2023 12:59:12	OBJ	Totally inappropriate and obtusive proposal, out of keeping with the rest of 28 Well Walk, and with overlooking implications for rear of houses in Christchurch Hill.

2023/3547/P	Sash Tusa	04/11/2023 15:57:09	COMMENT	<p>I object strongly to this proposal:</p> <ul style="list-style-type: none"> - It is wholly out of keeping with the existing and surrounding buildings, and oversize. - It will overlook the rear sides of the houses in lower Christchurch Hill, and especially the houses in the top half of the street, and significantly reduce our privacy
2023/3547/P	Will Lyons	04/11/2023 10:26:09	OBJ/NOT	<p>This proposed extension is completely out of keeping with the existing build and would ruin this well known roof line. The constant overdeveloping of properties within the Hampstead Conservation area is an ongoing degradation of the built environment.</p> <p>There is also a severe impact on overlooking over the entirety of the private gardens in Christchurch Hill. This is a terrible invasion into people's private spaces.</p>
2023/3547/P	Sarah Dewis	04/11/2023 10:54:46	OBJ	This application is out of character with the building itself and the neighbouring houses in Well Walk. The increased height will reduce the light available to the flat beneath. The extension will over-look the gardens of lower Christchurch Hill in a way that will effect the privacy of those gardens.
2023/3547/P	Jane Dodson	05/11/2023 14:17:28	OBJ	Strongly object to this proposal, being unacceptable in this conservation area. Design, scope and materials are out of keeping in the locale with consequent damage to sightlines and building profile. In addition the design as it stands constitutes a noise and light pollution threat for immediate neighbours and the proposed rear extension overlooks the gardens of lower Christchurch Hill with visual adverse effect.
2023/3547/P	Lucy Tusa	04/11/2023 15:52:31	OBJ	I object to this application because it out of keeping with the local architecture, overlooks our garden on Christchurch Hill and is oversized.
