

Notes

- To be read in conjunction with:
 - MoreySmith information including, but not limited to, Specifications, Schedules, Design Reports, and Access strategy.
 - Design team information including, but not limited to, that produced by the: Structural Engineer, MEP Engineer, Fire Engineer (including fire strategy), Approved Inspector/Building Control Officer, Acoustic Engineer.
- For scope of services and responsibilities please refer to project Roles and Responsibilities Matrix and Contractor Design Schedule.
- Do not scale from drawing. Any discrepancy between this drawing, other drawings forming part of this contract, or the specification / bills of quantities must be clarified before commencement of any work or ordering of any materials. All dimensions, levels, and clearances to be checked on site prior to works commencing.
- Any areas shown are for design purposes only and may vary as the design develops. For a definitive area measurement, please consult a RICS chartered surveyor.
