2023/3680/P	Marcus Rees Roberts	06/11/2023 19:27:50	OBJ	<p>I'm a resident at 2 Duke's Road, just round the corner from Woburn Walk. Woburn Walk is an exquisite and unique Regency site. It should be protected in every way possible.</p> <p>The proposal to build a wall at the south west end with three gates for services is both aesthetically and socially acceptable, and at odds with what makes this place so charming.</p> <p>Because Woburn Walk is small, its length being just tens of metres, an aesthetically anomalous intervention will be impossible to disguise.</p> <p>And because it is small, the noise and disruption of the services in and out will be impossible to ignore.</p> <p>The residents and traders of the immediate area feel somewhat oppressed by this large and apparently insensitive neighbour.</p>
