**Subject:** Submission: Planning Application: 2023/3861/P - Primrose Hill - Park Gates [REDACTED]

Dear Mr Zuk

I am writing in support of the above planning application.

[REDACTED] and find the existing temporary gates both ugly and not fit for purpose. The proposed new gates are much more in keeping with the Grade II listed park and will be sturdy and resilient and less open to vandalism.

I hope that the permanent solution can be instigated over the winter months so that they are in place and ready for use for the summer season 2024.

I am emailing rather than commenting online as I would rather not have my personal details listed publicly on the website. I appreciate your help in facilitating this.

Very best wishes, [REDACTED]
