Please choose one

**Objection**

Do you have any comments or consider that the proposal is harmful to or does not preserve the character and appearance of the conservation area?

The description of the application above is not correct. The proposal is for one very large rear dormer, not two. A dormer of this size is not acceptable to the CAAC and goes far beyond the CA appraisal guidance. Other elements of the application are ok.

Do you want to attach any files?

No
