2023/4241/P	Dr Andrew and Mrs Brigitte Kisiel	08/11/2023 15:58:55	COMMNT	<p>We would like to object to the current Planning Proposal for 31 Daleham Gardens for the following main reasons:</p> <p>¿ The 6 storey development is out of context with the rest of the surrounding conservation area - 2 storeys too high</p> <p>¿ The proposed development is far too large - 2.3 times larger than the previous house - will be more appropriate if 2 storeys are removed</p> <p>¿ The development extends beyond the predominant front building line and at the back cuts down 100+ year old trees, which is counter the conservation area philosophy</p> <p>¿ The lack of parking spaces provided as part of the development will significantly impact negatively the parking in the area.</p> <p>Dr A J Kisiel                      Mrs B M Kisiel</p>
