Repairs Key:

- (A) Existing Lycian brickwork and Portland stone copings/corncing to be cleaned and repointed where required within retained light well.
- (B) Existing Lycian brickwork and Portland stone copings/corncing to be cleaned and repointed where required within proposed LO4 & O5 meeting rooms.
- (C) Existing Lycian brickwork and Portland stone copings/corncing to be repointed where required within proposed riser and plant rooms.
- (D) Existing leadwork flashing to be repaired where defective and oiled.
- (E) Existing Lycian rainwater pipework retained and accessible from proposed SWEC interior.
- (F) Existing Lycian windows to be redecorated. Localised repairs to be undertaken where existing frames are dilapidated.

Note: requirement for installation of new fire shutters to Lycian Wing windows to be confirmed with Fire Engineer.
