**Note:**

These drawings are subject to verification by measured surveys in relation to existing footprints/layouts and have been based on historical survey information provided by third parties.

Subsequent alterations to arrangements may have taken place since the survey information was provided - this is to be notified by the contractor as works progress if they impact on proposed layouts/arrangements.

This drawing has been prepared solely for the use of The Hall School and there are no representations of any kind made by NORR Consultants Limited to any party with whom NORR Consultants Limited has not entered into a contract.

This drawing must not be used, reproduced or revised without written permission.

This drawing shall not be used for construction purposes until a "Ax - APPROVED FOR STAGE X" status appears in the Sheet Status.

Constructors must only work to figured dimensions which are to be checked on site. Do not scale from hard copy drawings.
