Description of Proposed Works
Please describe the proposals to alter, extend or demolish the listed building(s)
The proposed installation of fiber optic cabling in the listed building focuses on preserving the historical integrity while introducing modern utility. Our approach ensures no structural alterations; instead, we'll utilize non-invasive methods, following existing pathways to minimize impact. Any visible components will be discreetly positioned to harmonize with the building's aesthetics. Our plan adheres strictly to heritage regulations.
Has the development or work already been started without consent?

Type: Other Other (please specify): Fiber Optic Cables Existing materials and finishes: Existing materials and finishes within the building will not undergo any changes or alterations as part of the proposed installation of fiber optic cabling. The installation will rely on non-invasive methods using conduits, fiber optic cables, and terminal boxes, none of which will impact or alter the existing materials or finishes of the listed building. There will only be drilling small holes through walls to route cable.  Proposed materials and finishes: These will be high-quality, non-invasive, and designed to be discreet, typically encased in protective sheathing. Specific brand or type names might be provided based on the manufacturer's recommendations or industry standards. Conduits Utilizing existing pathways, these conduits will be employed to guide the fiber optic cables through the building. They'll be selected to match the dimensions and specifications suitable for the cables, usually made of non-intrusive materials like PVC or flexible tubing or galvanized trunking. Pattress boxes These components will be minimalistic in design, painted or finished to blend with the building's color scheme, potentially matching the existing paint or trim colors.

With respect to the Authority, is the applicant and/or agent one of the following:  (a) a member of staff
(b) an elected member
(c) related to a member of staff (d) related to an elected member
(u) related to an elected member
It is an important principle of decision-making that the process is open and transparent.
For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
Do any of the above statements apply?
