2023/3079/P	Andrew Murray, Chair, Soho Society Planning Group	13/11/2023 19:47:36	OBJ	Objection on behalf of the Soho Society. From experience within our own community we understand the importance of facilities which serve local residents in central London. The loss of such facilities is detrimental to residential amenity and to the character of an area. The sui generis use of a launderette clearly falls into this category, and should be protected. We therefore support the objections of local residents and community groups such as Fitzrovia Neighbourhood Association and the Fitzrovia West Neighbourhood Forum to the proposed change of use.
