Dear Planners and Tree Officers,

Weekly Planning List 761 (23/10 to 29/10 on list)

2023/4474/ T. Central Lawn Area St Anne's Close  
Group (G1) of mature Birch

2023/4562/T. 3 St Anne's Close  
1 x Sophora (T1)

2023/4563/T. 8 St Anne's Close (not HLE)  
T2 Ash  
T3 group of mature Hawthorns  
T4 multi stemmed Laurel  
T5 mature Lime

2023/4564/T. Garage area St Anne's Close  
T6 mature Poplar  
T7mature Poplar  
T8 mature Holly  
G2 mixed species, small trees and shrubs, eg, Elder, Viburnum

These four applications from St Anne's Close are for general maintenance and comprise pruning, crown thinning, reduction to previous points. No objection to the works.

2023/4522/T. 49 Dartmouth Park Hill  
No objection to the pollarding of the Sycamore (T1)

2023/4526/T. 57 Dartmouth Park Hill  
No objection to the reduction of the Cherry (T1), Prunus (T3) or the Damson (T4) as general maintenance work.

2023/4601/ T. 3 Dartmouth Park Avenue

I have concerns about removing 6 metres in height, i.e., 50%, from the Lime (T1).

The second Lime (T2) hopefully could survive approximately a 3m pollard.

List 762. 30/10 - 5/11/2023 (6/11)

2023/4498/T 23 Brookfield Park

No objection to the pruning of the Pear (T1), trimming the Leylandii hedge (T2) or the reduction of the Birch (T3).

Thank you,  
Eileen
