2023/3079/P	Harry Sepowitz	16/11/2023 22:03:36	SUPPRT	I strongly support this application. The former laundrette has been vacant for years, and I have come to know the applicant well from his time running Kafi Cafe. Kafi has been my neighbor and favorite cafe for about five years now, and Camden would be lucky to have more local small businesses run by people like Yatish.
