It is worth noting that the interiors were not inspected when the buildings were considered for listing. This does not necessarily mean that the interiors were of no intrinsic interest, but does indicate that they were not considered of primary importance to the decision to add the Terrace to the List.

The building also lies within the Regent's Park Conservation Area which is summarized in the Conservation Area appraisal and Management Strategy document (RPCAAMS 2011). The Regent's Park Conservation Area Appraisal is broken up into sections according to six sub-areas which combine to make up the
