Details of the pre-application advice received

I asked if I could submit a revised forecourt scheme with no parking.

Mr Versluys replied.....

Yes this would need either a Non material amend application, or a new Planning permission application.

If you submitted an NMA, the details of metalwork condition would still need to be discharged on previous permission.

The same condition would be added to any new householder application.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
