#### Informative(s):

- 1 Reasons for granting consent:

The proposal is for the display of vinyl stickers on the glazing of the Block C commercial units of the Phoenix Place Development, with imagery relating to the letting of the new units.

The design of the adverts is considered appropriate and will not cause harm to the appearance of the newly approved building or local area considering their temporary nature.

The adverts is temporary and will be permitted for until 31 July 2025 or less if they are let within that time. A condition is attached to ensure they do not become permanent. Advertisements of this nature would not be permitted on a permanent basis owing to their size, design and placement.

The proposal is not considered to cause any adverse impacts on neighbouring amenity or on public safety.

No objections have been received prior to making this decision. The planning history of the site has been taken into account when coming to this decision.

As such, the proposed development is in general accordance with policies D1 and D4 of the Camden Local Plan 2017. The proposed development also accords with the London Plan 2021 and the National Planning Policy Framework 2021.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2021.
