Hello – I would like to oppose your proposal to destroy the trees in Museum Street.

**Objection 2023/2510/P & 2023/2653/L**

I often work in the area and they bring a much needed sense of natural calm and beauty in a very high traffic density area.

These trees have been around for a long time and your proposal to chop them down is just not required or wanted by anyone else I know in the vicinity.

Please reconsider this planned destruction.

Dan
