2023/4546/P	James Hughes	22/11/2023 10:26:21	OBJ	There appears to be no supporting statement in this application, and therefore hard to determine the context of this proposed change of use. I realise that the legislation on the change from Class E to Residential has changed recently. I feel that the loss of commercial activity in this row would have a detrimental effect on the community given the importance of such clusters of employment, including offices, local services, space for creative industries etc. I have no objection to the upwards extension given the obvious gap.
