2023/3933/P	Hero Granger-Taylor	23/11/2023 16:27:45	COMMNT	Comment on behalf of Bloosmbury CAAC. The roofline of this Telephone Exchange building is visible from several directions within the Conservation Area. The views along and across Euston Road are particularly sensitive and it is very good therefore that two existing antennae are to be removed from the NE corner. However, the proposed new equipment is much higher and we are worried about views of the rear of the building, along Endsleigh Gardens and down Endsleigh Street. Can they be lower and a less close to the edge of the roof?
