For the attention of Planning Officer Daren Zuk

Dear Sirs

This **OBJECTION** is submitted on behalf of CRASH (Combined Residents' Associations of South Hampstead).

CRASH objects to this application because it believes that it has been submitted purely to deflect the council's attention from ongoing breaches of existing planning consents (2016/5714/P and 2016/3401/P). The council's enforcement team are aware of these breaches.

CRASH requests the council to refuse consent for the current application until such time as the existing breaches have been rectified and the site made compliant.

Regards

Alan Mason
Vice-Chairman
CRASH
