2023/3076/L	Hugh Cullum	29/11/2023 15:08:37	OBJ	<p>Dear Tania,</p> <p>We strongly object to this application. Brick buildings should never be painted as it does visual harm to the building (listed in this case) and the conservation area and also does permanent damage to the bricks. It would set a very dangerous precedent if this were to be approved. The paint must be very carefully removed by an accredited specialist company.</p> <p>Kind regards, Hugh</p> <p>Hugh Cullum. for Bloomsbury Conservation area Advisory committee</p>
