Subject: Planning application 2023/3861/P

[REDACTED]

Dear Darren,

I write to you strongly in favour of the planning application 2023/3861/P.

I live on Elsworthy Terrace and the temporary gates are an eyesore, plus they create a lot of noise when being opened and closed.

I am in favour of gates to control access when required but they need to be in keeping.

Sincerely
Marius Penderis
