

Notes:	
Tree Constraints Plan. This plan is intended to show the above and below ground constraints posed by trees on and adjacent the site. This plan has been produced as per BS5837:2012 trees in relation to design, demolition and construction. This plan is to be viewed in conjunction with the Arboricultural Impact assessment and Tree Schedule. This plan is intended to inform the design decision solely from the perspective of trees on or adjacent the site, all other queries should be registered with an Architect or Engineer. TJG Arboricultural Services have obtained the base map from outside sources and can accept no responsibility for any inaccuracies which may be present.
