Hi, I am a camden and Primrose Hill resident and I strongly oppose the proposed development to Utopia Village (2023/4757/P) on noise and conservation grounds.

It will irrevocably change the character of the neighbourhood, it is unjustifiable to have an industrial engine room in the middle of a residential area and it goes against all the rules laid out regarding conservation in the Camden Local Plan.

Hope you take the feelings of the residents seriously,

Thank you,  
Jane
