Hello,

I am writing to express my strong objection to the offensive planning that is set to take place in Primrose Hill at Utopia Village. Planning number 2023/4757/P.

The proposed activities not only pose a threat to the tranquility of our esteemed neighborhood but also have the potential to irreparably damage the cultural and social fabric that Primrose Hill residents cherish.

The intended offensive nature of the events, coupled with the anticipated noise levels, raises significant concerns about the adverse impact on the well-being of the community.

Primrose Hill is renowned for its peaceful atmosphere and its status as a haven for those seeking refuge from the bustling city life.

The introduction of offensive builds like this, along with the associated noise, poses a direct threat to the quality of life we have come to expect in this neighborhood.

The planned events could disrupt the peaceful coexistence of residents, negatively affect property values, and compromise the overall charm that makes Primrose Hill an attractive place to live.

I urge you, the relevant authorities, to reconsider and intervene to protect the well-being and harmony of our community.

Best,

Seth
