Hi Daren

Do you have a planning reference number?

Thanks

Hello,

Could you please swap out the PDF sent earlier in the week with the one attached?

Thank you,

Daren,

I hope you don't mind but Phil and I feel very responsible about the Oldfield residents information, so I took the two PDF files I sent you and have just redacted their signatures - concerns about fraudsters- as well as mobile numbers, flat numbers and, of course, the preamble about how to fill it in. For the two residents most sensitive to anonymity, the names are gone too. I would be happy if you just posted this PDF as is now on the website if the redaction is OK.

I am sure you will be happy when this planning application is done with as it must be driving you mad (as it is us). I would not mind never hearing the word gate again.

PS As I work in financial services I am paranoid about GDPR so sorry if I seem pedantic. (Of course the originals sent to you yesterday will remain in your confidential files as evidence).
