Dear Mr Campbell

I write in reference to the above planning application.

I live in Primrose Hill, although not close enough to Utopia Village to be directly affected by the application. However, I know lots of people who are affected and are deeply worried by it. I have listened to their concerns and, if it was me, I would be extremely worried too. The noise report seems pretty definitive and conclusive and I therefore object to the application on the grounds that it is unnecessarily large and would genuinely blight the daily lives of those who live close to it, in their own homes.

Please redact my name and contact details if you need to publish this on the Camden planning website.

Best wishes, Kate Hulme.
