2023/3630/P	Bartholomew estate and kentish Town CAAC	16/12/2023 16:47:30	COMMNT	Bartholomew and Kentish Town CAAC strongly object to any further " storage " on this site . It is currently a complete eyesaw . There is the original storage unit and a further smaller unit for which there is no planning permission also a tent like structure . Often a white van is parked on the site . Further storage unites would obscure the view of the trees in the distance, also cause increased number of car/van journeys to the site . The use of this site is out of keeping with the general views of the area , mainly unobscured and not of large storage units . the large storage units are ugly and not considered part of a Conservation area.
