2023/3631/P	Bartholomew estate and kentish Town CAAC	16/12/2023 16:35:52	OBJ	Bartholomew Estate and ~ Kentish Town CAAC strongly object to the [proposed fence. This type of fence is out of keeping with the area and the proposed hight 2.4 M is also far too high for the area. Typically this area has hedges at a hight of about 1M and the proposed wooden fence would also possibly be a target for grafeti which would definatly detract from the area.
