Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Householder Application Granted

Address:
16 Roslyn Hill
London
NW3 1PD

Proposal:
Erection of single storey ground floor rear extension, alterations to fenestration at rear ground floor, and new Juliet balcony at rear first floor
Drawing Nos: Site Location Plan 127_001_PL02, 127_011_PL01, 127_015_PL01, 127_201_PL03, 127_101_PL03

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans:

Site Location Plan 127_001_PL02, 127_011_PL01, 127_015_PL01,
127_201_PL03, 127_101_PL03

Reason: For the avoidance of doubt and in the interest of proper planning.

- 3 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy D1 and D2 of the London Borough of Camden Local Plan 2017 and policies DH1 and DH2 of the Hampstead Neighbourhood Plan 2018.

Informative(s):

- 1 Reasons for granting permission.

Planning permission is sought for the erection of a single storey ground floor rear extension, enlargement of the existing part width rear extension, a replacement window at rear ground floor and the installation of a Juliet balcony and door at rear first floor level.

The alterations at ground floor were recently approved under application ref. 2023/2235/P dated 09/08/2023. The proposed extension would infill the area between the existing part width extension and the boundary wall with no. 14. It would be subordinate to the host property and would match the depth and height of the extension at the neighbouring property no. 14 in terms of scale and mass. It would project approx. 1.2m from the principle rear elevation. It would be constructed with sympathetic materials, namely brick and metal windows which are considered appropriate. An acceptable amount of garden space would be retained. The new enlarged extension would project to the same depth, albeit it would be approx. 1m wider than the existing. With the new infill extension, it would create a full width extension which would be stepped back. The design, scale, mass and materials are considered to be acceptable.

At first floor on the rear elevation, the existing timber window would be replaced by timber framed double doors and black metal railings would be installed to create a Juliet balcony. The materials are considered to be appropriate to the host building and the wider conservation area. This intervention is considered to be a minor one that would not detract from the overall appearance of the property, nor detract from the character and appearance of the conservation area.

The proposal is considered to preserve the character and appearance of the conservation area. Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the Conservation Area, under s.72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act 2013.

The proposal is not considered to cause any adverse impacts on the amenity of adjoining residential occupiers.

No objections have been received prior to making this decision. The planning history of the site has been taken into account when coming to this decision.

As such, the proposed development is in general accordance with policies A1, D1 and D2 of the Camden Local Plan 2017 and policies DH1 and DH2 of the Hampstead Neighbourhood Plan 2018. The proposed development also accords with the London Plan 2021 and the National Planning Policy Framework 2023.

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (tel: 020-7974 6941).
- 3 This approval does not authorise the use of the public highway. Any requirement to use the public highway, such as for hoardings, temporary road closures and suspension of parking bays, will be subject to approval of relevant licence from the Council's Streetworks Authorisations & Compliance Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No 020 7974 4444). Licences and authorisations need to be sought in advance of proposed works. Where development is subject to a Construction Management Plan (through a requirement in a S106 agreement), no licence or authorisation will be granted until the Construction Management Plan is approved by the Council.
- 4 All works should be conducted in accordance with the Camden Minimum Requirements - a copy is available on the Council's website (search for 'Camden Minimum Requirements' at www.camden.gov.uk) or contact the Council's Noise and Licensing Enforcement Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No. 020 7974 4444)

Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You must secure the approval of the Council's Noise and Licensing Enforcement Team prior to undertaking such activities outside these hours.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2021.
