Dear Sir/Madam

DECISION

Town and Country Planning Act 1990

Certificate of Lawfulness (Proposed) Granted

The Council hereby certifies that the development described in the First Schedule below, on the land specified in the Second Schedule below, would be lawful within the meaning of Section 192 of the Town and Country Planning Act 1990 as amended.

First Schedule:

Retain ground floor as Use Class E (b) and change the basement Use Class from E (g) Offices to Use Class E (e) Medical Centre Head Office.
Drawing Nos: Site location plan, P110, P111, Planning Statement.

Second Schedule:

188-189
Drury Lane
London
Camden
WC2B 5QD

Reason for the Decision:

- 1 The change of use would be for a purpose of the same use class (Class E), so would not constitute "development" as defined by Section 55 of the Town & Country Planning Act 1990, and therefore would not require planning permission.

Informative(s):

- 1 This certificate is granted on the basis of the information submitted with the

application, including the assertion that any proposed medical services use would fall within the description of Class E (e) of the Town and Country Planning (Use Classes) Order 1987 (as amended).

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2021.

Notes

1. This certificate is issued solely for the purpose of Section 192 of the Town and Country Planning Act 1990 (as amended).
2. It certifies that the use*/operations*/matter* specified in the First Schedule taking place on the land described in the Second Schedule was*/would have been* lawful on the specified date and thus, was not*/would not have been* liable to enforcement action under Section 172 of the 1990 Act on that date.
3. This Certificate applies only to the extent of the use*/operations*/matter* described in the First Schedule and to the land specified in the Second Schedule and identified on the attached plan. Any use*/operations*/matter* which is materially different from that described or which relates to other land may render the owner or occupier liable to enforcement action.
4. The effect of the Certificate is also qualified by the provision in Section 192(4) of the 1990 Act, as amended, which states that the lawfulness of a described use or operation is only conclusively presumed where there has been no material change, before the use is instituted or the operations begun, in any of the matters relevant to determining such lawfulness.
