2023/4757/P	Kerem Cevahir	18/12/2023 17:17:33	OBJ	I would like to register my objection as a Camden resident (and soon to be a Chalcot Road resident) due to the reasons others highlighted in detail such as technical errors in noise assessment and out of character development proposal in a conversation area.
2023/4757/P	Lucy C.	14/12/2023 12:31:59	OBJ	<p>Although my property is not directly adjacent, I am concerned that this development will set a precedent in terms of acceptable noise levels and the (unattractive) housing of equipment in the Primrose Hill Conservation Area.</p> <p>Many, if not most, local residents welcome having businesses here alongside residential properties, providing jobs and lunchtime trade for local restaurants. However, in order for both to co-exist harmoniously, noise levels and design must be appropriate to the setting, to avoid disturbance and allow people's quiet enjoyment of their homes. The current plans do not seem to have addressed this, and so I suggest you should refuse the application.</p> <p>Hopefully modified future plans will address these issues to their neighbours' satisfaction.</p>
