

- Notes**
1. Do not scale this drawing.
 2. All dimensions must be checked on site and any discrepancies verified with the architect.
 3. Unless shown otherwise, all dimensions are to centre lines.
 4. Drawing to be read with all other issued information. Any discrepancies to be brought to the attention of the architect.
 5. This drawing is the copyright of Levitt Bernstein and may not be copied, altered or reproduced in any form, or passed to a third party without license or written consent.
- This is not a construction drawing. It is unsuitable for the purpose of construction and must not be used as such.

-  Proposed pipework for final install
-  Existing pipework retained in place during migration period.

Refer to drawing no. 120030 for more information on service route from boiler room to garages
