Subject: Notice of tree works

To the planning officers

I am writing to give notice of works we would like to do to the silver birch at 24 Gloucester Crescent London NW1 7DL.

We would like to reduce the tree to the previous pollarding points, removing regrowth.

We would like to do this work in 6 weeks' time, before the growing season starts.

Thank you

Yours

Sarah Gentleman
(Owner of 24 Gloucester Crescent)
