- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

Description

Please describe details of the proposed development or works including any change of use

The proposal is to adapt the existing glazed elevations to the existing roof terraces to both the 4th and 5th floors on both the northern and southern elevation, in order to provide better access to the existing open terraces. The works involve relocating some existing sliding door openings and creating some new, all within the existing glazed elevation and matching both in terms of style and colour of the existing. RAL 7016

In addition we are proposing to adapt existing glazing panels to the 5th floor Northern elevation to accommodate supply and return louvers to support new small kitchen facilities on each level.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
