2023/4542/P	Lea Lortal	21/12/2023 21:44:43	SUPPRT	<p>I would like to express my support for the planning application (2023/4542/P) submitted by the 7 Brownlow Mews Residents' Association. I am currently a tenant in 7 Brownlow Mews and over the past few months, I have personally witnessed a concerning increase in antisocial behaviour and felt a genuine concern for my safety due to the current design of the building's entrance.</p> <p>Moving the existing entrance door forward to street level, as proposed in the application, is a sensible solution to address these ongoing problems. This modification would effectively eliminate the current safe harbour for criminal activities like drug dealing and discourage loitering, contributing to a safer environment for residents of the building and the broader Mews community.</p>
