2023/5192/T	G Budd	23/12/2023 09:07:24	OBJ	This is a local landmark tree which is very old and beautiful. It is a superb copper beech and should in no circumstances be felled. It is of significant local and community importance with its wonderful leaf colouring and visibility over a large area. It is inconceivable that anyone would wish to remove a tree of several hundred years old.
2023/5192/T	Harold Lorenzelli	23/12/2023 09:40:06	COMMNT	This is a magnificent specimen which is a local landmark. To destroy such a tree would be an act of vandalism in my opinion and create more harm than good. It does not need to be contained but should be allowed to flourish , embellishing our environment and not vimpoverishing the locality.
