This building is looking quite dilapidated as it is and the proposed changes will bring harmony to the terrace and restore its historic features.</p> <p>The proposed changes would not only enhance the aesthetic of the street but they would also sensibly improve the functionality and living space for a family in the neighbourhood.</p> <p>This approach is quite thoughtful.</p>
2023/4265/P	Jacobo Koenig	28/12/2023 17:20:42	SUPPRT	<p>I wholeheartedly endorse the proposed development in Primrose Hill, Camden, which promises to revitalize a dilapidated building and enhance the neighborhood's charm. The project's adherence to conservation area standards, while infusing modern touches, strikes a perfect balance between preserving historical integrity and fostering aesthetic improvement. This thoughtful approach promises to not only maintain but enrich the unique character of Primrose Hill, making it an even more appealing place to reside and visit.</p>
