

Statutory Declaration

I, **Mary Fitzpatrick**, of [REDACTED] do
SOLEMNLY and SINCERELY DECLARE as follows:-

1. I am the owner of 4 Railey Mews, London, NW5 2PA. The property is a 2-storey, 3-bedroom mews house in a primarily residential mews street.
2. I have owned the property since June 1999. The property is currently rented and occupied by tenants.
3. The flat roof of the property is accessed via steps up through a hatched rooflight and is used as a roof terrace providing amenity space ancillary to the residential use of the building.
4. In June 2018 I had metal railings erected around the perimeter of the roof, set back slightly from the front elevation of Raily Mews, as shown on drawing RAI 20 (Appendix A). The railings were erected to ensure the safety of anyone accessing the roof terrace.
5. The railings were provided by Hornsey Metalworks, of 410 Hornsey Road, N19 4EB. They were erected on around 11 June 2018 and were painted with several coats of black paint over the following few days.
6. Appendix B includes photographs of the (unpainted) railings on the day that they were erected; a time-stamped photograph dated 13 June 2018 at 14:38, showing the railings in-situ and painted black; and a photograph showing railings today.
7. The railings have remained exactly as constructed from June 2018 to the present day.
8. On the basis of the foregoing, I confirm that the railings on the roof of 4 Raily Mews were constructed prior to 13th June 2018 and that they are

lawful, on the basis that the operational development took place more than four years and that the time for enforcement action has expired.

I understand that this statement will be used to support an application for a Certificate of Lawfulness and that Section 194 of the 1990 Town and Country Planning Act provides that it is an offence to furnish false or misleading information.

AND I MAKE THIS SOLEMN DECLARATION conscientiously believing the same to be true and by virtue of the provisions of the Statutory Declarations Act 1835.
