RE: Kentish Town Health Centre 2 Bartholomew Road London NW5 2BX.
Planning Ref's 2023/5388T & 5427T.

To the Planning Department,

I write to bring to your attention a discrepancy in the above Planning Applications.

The Applications refer to re-pollarding all trees to 'previous points' but I believe I am right in saying that the trees were not previously pollarded but crown reduced.

The request clearly contains a logical inconsistency.

Therefore, if you approve the applications would you please make it clear that the approval is for crown reduction to previous points.

Thank you, yours sincerely,

Harvey Flinder
Resident Bartholomew Villas.
