2023/3470/P	David Castle RIBA Dip.TP Castle	04/01/2024 13:45:42	COMMNT	<p>Objection from: THE HEATH & HAMPSTEAD</p> <p>We object most strongly to this proposed garden room for four reasons.</p> <ol style="list-style-type: none">1. The garden room will be seen from Christchurch Hill and yet no elevation shows how it will be seen from the road.2. The garden room and the new paving will permanently reduce the amount of topsoil and planting in the garden and reduce Biodiversity in the the area. No green roof or other device can compensate for the loss.3. The gardens of Gainsborough Gardens all form a continuation of, and an ecological link, both to the Heath and to other gardens in the area.4. The garden is a part of a listed building and this garden room detracts from the Listed group of houses. The Fringes and openness of the Heath are compromised. <p>This proposal detracts from the Conservation Area and the Heath Please refuse.</p>
