2023/5433/P	Highgate Conservation Area Advisory Committee	04/01/2024 15:47:44	WREP	Highgate CAAC made a suggestion concerning the use of platform lifts rather than stair lifts in connection with an earlier pair of application for this address. While this application is not quite what we suggested in our earlier comments, we have no objection as long as the installation is reversible and does no harm to the listed structure.
