2023/3861/P	Anja Rachny	07/01/2024 03:14:06	OBJ	I OBJECT to the installation of any type of gates at Primrose Hill. It is bad enough that those horrible temporary gates are being used. It is so wonderful to have a place where you can go watch the sunrise in the summer in peace (as me and my husband do often). I'm sure we are not the only ones who also enjoy a walk in some nature and fresh air late at night. Although we might not live in the same borough it's walking distance from us and one of our favourite parks.
