2023/4050/P	Seymour	06/01/2024 21:05:39	NOBJ	We are owners along the same terrace of the subject property. We support this revised plan - which is in line with the last approved plan - and hope it receives approval soon from the Council. The current property is an eyesore and we feel the proposed plan will be a meaningful improvement over the existing structure.
