2023/5470/P	Bob Osborne	09/01/2024 08:53:27	OBJ	Whilst I agree with the general proposal I object to the facing finish proposed. All the facing would be much better if this were done in brick that matches the brick used all around the square. This should be a requirement and then the completely out of character building that this currently is would blend into the setting of the square and Bedford Place so much better.
