Subject: RE: Kentish Town Health Centre 2 Bartholomew Road London NW5 2BX. Planning Ref's 2023/5388T & 5427T.

To the Planning Department,

I write to draw your attention to a discrepancy in the above Planning Applications.

The Applications refer to re-pollarding all trees to 'previous points' and I am sure I am correct in saying that the trees were not previously pollarded but Crown Reduced. The request clearly contains a logical inconsistency. Therefore, if you approve the applications would you please make it clear that the approval is for crown reduction to previous points. Many thanks.

Yours sincerely

P Jane Fawcett

34 Patshull Road, London NW5 2JY
