Dear Sirs,

Attention: Planning Officer for Fast Track SC

Our client wishes to make the following comments regarding the objections that have been raised by the neighbours.

1. No. 4, No 5 and No. 7 all have loft conversions with matching materials.
2. The residents also voted for No. 7 to retain the slate so that they matched the others.
3. We are a little unsure why two of the neighbours have objected when they also have slate on their dormers. This seems a little hypocritical.

Kind regards,

Russell Clark
