## Grounds for Application

### Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

Buildings are currently in Class E use. Proposed use as a gymnasium falls within the same use class. Only internal works of amalgamation are proposed. No external works. See covering letter.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

See covering letter

Select the use class that relates to the existing or last use.

E(a) - Display/Sale of goods other than hot food

Select the use class that relates to the proposed use.

E(d) - Indoor sport, recreation, or fitness - Excluding motorised vehicles, firearms, swimming, and skating

Is the proposed operation or use

- Permanent

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The proposal involves the introduction of an alternative use (i.e. a gymnasium) within Class E and does not, therefore constitute a material change of use from the current lawful use.
