2023/5398/T	June Blande	13/01/2024 20:14:27	OBJ	<p>I am writing to object to the intended works to the trees in Auden Place.</p> <p>We , the tenants and local residents are lucky to enjoy the mature trees and shrubs in Auden Place, lovingly attended over many years. We have confidence in the Conservation orders governing the area.</p> <p>Our homes are surrounded by busy car parks and so the surrounding trees and shrubs are so important to improving our environment ( not only us tenants but also including the very busy Auden Place Nursery ).</p> <p>I strongly object and hope that my objection will be noted.</p>
